- 7. Information/Discussion Items
 - a. Community Daycare Task group Discussion - The school board received a request to meet with a group of local stakeholders regarding the daycare situation in Parkston, primarily, the closing of the Avera St. Benedict Daycare. Specifically, the PADC wrote:

Our Request: The PADC is asking the Parkston School District and others to engage in helping to build a collaborative effort to keep the licensed 54 daycare facility open and viable long-term. Several community members met to: (1) Discuss the status of in-home daycare services in the community; (2) Identify the critical components needed for a successful “community” daycare; and (3) Identify potential key partners that could lead to a successful community-based daycare being created.
